COMPANY	ACTIVITY	ADRESS	PHONE	FAX
A.M.E.R.I.C SARL (Hutchinson Aerospace -Le Joint Français)	Supply products (rubber cement LfJ), seal, montage, aeronautical coating and hardware	37, rue Aït Ba Amrane Immeuble Mareuil 20310 Casablanca	+212 (0)5 22 40 30 74	+212 (0)5 22 24 44 86
ADETEL MAROC	R&D, Software & Hardware Design. Engineering and Consulting for electronics. Manufacturing of electronics board, racks and cabinets. Design of complete electronics systems. ADETEL Morocco services are specific for aeronautics, railways, automotive, medical and defence.	bureau 25, 3ème étage centre d'affaires City à résidence Al Badr, Sidi Moumen, Autoroute Casablanca-Rabat	+212 (0)5 23 31 28 06	+212 (0)5 23 31 28 07
ADHESIUM TECHNOLOGIES	ADHESIUM Technologies partner of DASSAULT Systèmes in Morocco, is a Service provider, and training operator specialized in PLM (Product Life Cycle Management). Solution programs (CATIA, DLEMIA, ENOVIA, SMARTTEAM, ...) to embrace the life cycle of a product: conception, simulation, production and control. Large range of value added services from needs identification to after-sale services, operation assistance, training, transfer of skills. ADHESIUM Technologies also offers a wide range of Handyscan 3D Scanner (REVscan, VIUscan, MAXscan, ...) allowing the scanning of parts for reverse engineering and dimensional control.	57, bd Abdelmoumen, rés. Al Hadi A, Imm A3, 20360 Casablanca	+212 (0)5 22 27 10 80	+212 (0)5 22 22 10 80
AERO 13 MAROC	Sheet-metal working	ZI de Berrechid Lot n°6 Berrechid	+212 (0)5 22 32 77 06	+212 (0)5 22 32 77 07
AEROLIA CONSTRUCTION AERONAUTIQUE MAROC	Metallics aerostructures assembly, machining profiled, bending tube pipes,	Zone Franche de Midparc, Nouaceur, Casablanca	+212 (0)5 20 15 22 31	
AEROSRTUCTURE SOLUTIONS MOROCCO	Maintenance, Réparation et révision générale des composants de structures avions	atlantic free zone - amer saflia, kenitra		
AEROTECHNIC INDUSTRIES (RAM AIR FRANCE)	Aircraft Maintenance (A320)	Hangar 3600, baie n°1, ZI RAM, Aéroport Mohammed V, Nouasseur Casablanca	+212 (0)5 22 42 90 00	+212 (0)5 22 42 07 88 +212 (0)5 22 42 07 87
AGBM (GROUPE AEMI)	Machining Assembly	parc industriel Ouled Salah, Lot 7 et 9, ouled salah, 27 182 Bouskoura	+212 (0) 5 22 59 25 18	+212 (0)5 22 59 21 96
AKKA TECHNOLOGIES MAROC	Engineering Documents, Product Engineering, Process Engineering and Software Engineering	33, bd Hassan Seghir, angle rue d'Anjou Casablanca	+212 (0)5 29 03 96 00	
ALTRAN MAROC	engineering consulting	Shore 17, Casanearshore 1100 Bd Al Qods, Casablanca	+212 (0)5 29 01 51 01	
AMG	Structure Assembly	167, Boulevard Bourgone - Résidence Bana - 20 050 Casablanca		

AML- MICROTECHNIQUE MAROC	Mechanical subcontracting for the defense, the space and the telecommunication markets. Design and manufacturing of passive microwave components. Study and realization of electronic boxes and chassis, as well as heat exchangers for high-power electronic components or assemblies.	3, Boulevard Abdellah Chefchaoui Mohammedia	20800	+212 (0)5 23 32 01 48	+212 (0)5 23 31 66 35
AOCM	Cutting tools production, cutting tools maintenance, industrial stationery.	Zone Industrielle Ouled Saleh, N°1320, BP317, 20180 Bouskoura		+212 (0)5 22 32 09 77	+212 (0)5 22 32 09 65
ARCONIC FIXATIONS CASABLANCA	Machining, tooling, stamping and manual assembly for aeronautical usage	Zone Franche de Nouaceur, 2700, Casablanca		+212 (0)5 22 59 35 60	+212 (0)5 22 59 26 75
ASM AERO	Assembly of simple and complex metallic structures : Riveting, Sealing, Painting, Inspection of assembled structures	Aéroport Mohammed V Aéropole Nouasser, Casablanca		+212 (0)5 22 53 94 91	
ATCH- Groupe AHG	aeronautical fastening	C/O Immo Finances, lot 26B Bât C1, RDC, Tanger Free Zone		+212(0)5 39 39 49 14	+212(0)5 39 39 49 15
ATLANTIC AIR INDUSTRIES MAROC	Maintenance, Repair, Overhaul and system integration company specialized on civil and military aircraft including ATR, Embraer and Hawker Beechcraft aircraft types.	HANGARS 13, 14, 15 AEROPORT DE BENSLIMANE, 13004 MAROC		+212 (0)5 23 29 77 24	+212 (0)5 23 29 77 30
AUSARE MAROC SA (BOUY AUSARE)	Precision machining	llot 72 Lot 2 Tanger Free Zone Tanger	90000	+212 (0)5 39 39 80 00	+212 (0)5 39 39 38 00
BM ELECTRONIC SYSTEMS	wiring harness, electronics, fiber optics, electrical and electronic complete sets	douar lakloucha lissasfa, route d'el jadida, casablanca		+212(0)5 22 65 13 24/15 92	+212(0)5 22 65 13 41
BOMBARDIER AEROSPACE NORTH AFRICA	Aircraft Assembly	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca		+212 (0) 5 20 20 60 62	
BOMBARDIER MOROCCO MANUFACTURING SERVICES	La fourniture de services pour l'approvisionnement, le contrôle qualité et la réparation des cahiers de montage (méthodes) pour le groupe Bombardier - Prestation de services de conseil technique ou industriel	1100 bd el qods, shore 2-A, Etage1, sidi maarouf, Casablanca		+212(0)5 20 61 09	
BUREAU VERITAS AERONAUTICS & SPACE DIVISION	Bureau veritas aeronautics & space division Leading entity dedicated to support worldwide flight safety and quality. Its activities cover a wide scope of services to the aeronautical and space communities	imm Sigma, 4ème étage, La Colline - Sidi maârouf, Casablanca		+212 (0) 5 22 54 35 40	+212 (0) 5 22 54 35 36
CABLAGE INOV	Electronic cards wiring and beams, electronic and electric box integration	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca		+212 (0)5 22 65 29 85	
CASABLANCA AERONAUTIQUE	Surface treatments (steel, stainless steel, aluminum), painting, precise sheet-metal working, aeronautical boiler making industry, thermal treatments, assembly: riveting, fixation tools, mounting	Aéroport Mohammed V Aéropole Nouasser, Casablanca		+212 (0)5 22 53 92 44	+212 (0)5 22 53 92 43
CETIM Maroc Développement (Filiale du CETIM : Centre Technique Français des Industries Mécaniques)	Mechanical laboratory tests (Fatigue LCF & HCF, Stress rupture, Creep, tensile) and metallographic analysis	Aéroport Mohammed V Aéropole Nouasser, Casablanca		+212 (0)5 22 53 95 21	+212 (0)5 22 53 95 30
CHATAL Maroc	High precision manufacturing (turning, milling, honing, grinding)	ZI Hay Errahma, lot 1 BP570 11000 Salé, Rabat		+212 (0)5 37 87 29 60	+212 (0)5 37 87 29 61
CIMA (Groupe CEGELEC/Vinci ENERGIES)	Production of electrical sub-assembly for Aeronautical, Defense & Space, Navy applications	62, Bd Oqba Ibnou Nafia Casablanca		+212 (0)5 22 63 93 93	+212 (0)5 22 60 39 16
CIRCOR MAROC	Assembly and test of aeronautical equipments. Winding and tooling of parts.	TFZ - Gzenaya, llot 23, lot n°4 Tanger	90024	+212 (0)5 38 80 00 54	+212 (0)5 39 39 48 28

COMEFA-MAROC	Studies Design : CAD - Various fitting - Gauges ... / Metrology : 3 D - evaluation tools /	186 ZI sud ouest 28810, Mohammedia	+212(0)5 23 32 43 94	
COMPOSITE INDUSTRIE MAROC	Production of aeronautical parts in composite materials, maintenance of aeronautical equipments	Parc industriel Tawfiq, ZI de la CFCIM de bouskoura, lot n° 92, Batiment 7 BP 294 , 20180 Casablanca	+212 (0)5 22 59 24 57	+212 (0)5 22 59 24 56
DAHER AEROSPACE MAROC	Production of aeronautical sub-parts made of composite materials: air conditioning ducts, fairing, sub-assembly of structures	Lot 19, Ilot 19B - Tanger Free Zone 90000 Tanger	+212 (0)5 39 39 36 00	+212 (0)5 39 39 36 04
EATON Industries Morocco	Module assembly and mechatronics solutions	Zone Franche de Midparc, Nouaceur, Casablanca	+212 (0)5 22 95 77 40	+212 (0)5 22 95 70 41
EFOA	Tools Manufacturing, elementary parts, surface treatment, ressuage, aeronautics painting field	9 Km21 ZI El Bouzanyne,Nousseur, Casablanca Maroc	+212 (0)5 22 51 37 30	+212 (0)5 22 51 30 44
EOLANE MAROC	Design, manufacturing, TLS for electrical/electronic system and subsystem	Lot 11 Zone Industrielle, route de Marrakech, Berrechid	+212 (0)5 22 53 54 20	+212 (0)5 22 53 34 64
EXXELIA MAROC	Electronic and electrotechnic assembly (wiring of beams, winding of selfs and transformers, winding of electric engines, integration).	Angle "Alkahrabae" et rue "Le Caire" QI Ain Sebaa, Casablanca	+212(0)5 22 66 70 00	+212(0)5 22 70 66 97
FAAR INDUSTRY	société d'ingénierie et équipementier de rang1 spécialisé dans l'électronique embarquée de contrôle de commandes, de puissance, de transformation et de stockage d'énergie. Notre expertise s'étend dans le domaine du développement d'architectures complexes, fabrication et rénovation du matériel.	ensias valley, madinat al ifrane 10000 Rabat, Maroc	+212(0)5 37 68 37 62	
FIGEAC AERO MAROC	<p>Figeac Aero realizes complete services: Design/ Material & Component sourcing/ Machining/ Forming/ Dimensional Inspection/ Shot Peening/ Surface Treatment/ Heat Treatment/ Assembly/ Final Inspection.</p> <p>As a major partner, FIGEAC AÉRO supplies: - Structural parts: from the small fitting, to the large 26 meters long panel - Aeronautical subassemblies: design, manufacture and assembly - Engine parts: vertical lathe and milling - Precision parts: landing gear parts, thrust reverses parts etc.</p>	Projet Soft Factory, Lotissement Mauritania, Cellule E19 et E20 Zone Industrielle Bernoussi, Casablanca.	+212(0)5 22 35 85 32	
FIM MAROC	Industrial supply specializing in the aeronautical industry. Maintenance center of production tools, drilling tools and others ...	147, Bd med Smiha Casablanca	+212(0)5 22 538 861	
FMTM	Traitements thermiques et Thermochimiques "certifié ISO 9001 et EN 9100". Trempe sous vide, cémentation basse pression, recuit magnétique, traitements sous atmosphères contrôlées, brasage sous haut vide	Lot n°9, Zone Industrielle Sud Ouest, BP 27, Mohammedia	+212(0)5 23 32 50 85/01	+212(0)5 23 32 50 86
GACHES CHIMIE SPECIALITES MAROC	With a strong chemical and logistic experience Gaches Chimie has developed the "Global Chemical Management", a real supply chain that includes a large range of chemical products, composite materials, paintings, gaskets and lubricants, solvents in aeronautical fields.	Parc industriel Bouskoura, Lot 77, Route secondaire 109, 20180 Bouskoura	+212 (0)5 22 59 21 52	+212 (0)5 22 59 21 55

MGF Afrique	Precision machining	11 Sidi Mohammed Ben Abdellah Mohammedia	+212 (0)5 23 31 49 82	+212 (0)5 23 31 49 77
GOAM INDUSTRIE	Stelliting and deburring of aero engine blades	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca	+212 (0)5 20 15 14 87	+212 (0)5 20 15 14 88
HALMES (HALGAND)	Manufacturing: advanced mechanical engineering, assembly	Aéroport Mohammed V Aéropole Nouasser, Casablanca	+212 (0)5 22 59 24 50 +212 (0)5 22 59 25 48	+212 (0)5 22 59 25 35
HELICONIA INDUSTRIES	Helicopter Maintenance	Aéroport Menara Marrakech	+212(0)5 24 36 08 68	+212(0)5 24 36 19 51
HEXCEL	Development and / or manufacture of machined honeycombs, and / or marketing of machined honeycombs	Zone Franche de Midparc, Lot n°82 à 85 et 90 à 93 Nouaceur, Casablanca		
HOLLE INDUSTRIES MAROC	Conception and manufacture of cabling & wiring, electric closets, test-benches, and industrial automation solutions.	Bd Laymoune Kasbat Al Amine 1, Lissasfa Casablanca	05 22 65 29 97	
ICM INDUSTRIE MAROC	Precision machining of all thermoplastics, thermosets and composites	4 Parc Industriel CFCIM, 20180 Bouskoura	+212 (0)5 22 59 08 02	
INNOVISTA SENSORS CST SENSORS - (CROUZET MAROC)	Circuit Breakers and Switches Manufacturer	Lot n°16 Zone Industrielle Sidi Maârouf Casablanca	+212 (0)5 22 97 75 70	+212 (0)5 22 33 53 84
JONE & PRECISION ENGINEERING MAROC	Conception and manufacturing of cutting tools, machine tool equipment. Engineering and manufacturing of machining solutions	61, avenue lalla yacout, mustapha el maani n°85 , 20000 Casablanca.	+33 (0) 3 88 93 08 41	+33 (0)3 88 93 43 73
KMTM - Kep Metal Tech Maroc	Conception and fabrication of blanking tools and deep-drawing, precision engineering mechanic, welding, precision sheet-metal work	Soft Logistique B8 Route 110 Bd CHEFCHAOUNI Ain Sbeaa, Casablanca	+212 (0)5 22 67 43 23	+212 (0)5 22 67 43 71
LATECOERE	Furniture assembly and wiring and harnesses for aircraft	Lot n°96, ZI du Sahel, 26400 Had Soualem		
LELMA	Machining of mid-sized o, aluminium aerospace parts, Deburring / forming / drilling of aerospace parts, Quality control, Non Destructive Testing on aluminium parts, Surface treatment of aluminium parts, Painting, Assembly of structural parts. The synergies between MK AERO and LELMA allow to offer a global integrated solution from machining to assembling which guarantees a continuous flow in the supply chain.	ilot 53-56 TFZ 90090 Tanger	+212(0)5 39 39 68 00	
LEXIS ENGINEERING SYSTEMS	Electronic Engineering	34, Bd Moulay Slimane Casablanca, 20300- Maroc	+212(0)5 22 34 57 00	+212(0)5 22 24 40 41
LISI AEROSPACE CREUZET MAROC	Manufacture of parts for aeronautical industry : sheet forming, assembling, machining, surface treatment, painting	Aéroport Mohammed V Aéropole Nouasser, Casablanca	+212 (0)5 22 53 60 90	+212 (0)5 22 53 92 85
LPS AERO	Production of mechanical equipments, assembling of basic components and sub-assembly	Angle rue de la gare - rue Tizi Ousli, Ain-Sebaa Casablanca	+212 (0)5 22 35 03 73	+212 (0)5 22 35 20 97

LTK	LTK is the specialist of logistics for the Aerospace Industry (warehouse management, customer's internal logistics, transport, quality control, design and manufacturing of logistic jigs, towing aircraft - runway to assembly lines) and provides support at all Supply Chain levels: <ul style="list-style-type: none"> - manages, organizes, plans, monitors, accompanies and controls all levels of the Supply Chain allowing providers and customers to achieve substantial progress in optimizing supply chain operations (reducing lead times, better resource allocation, energy savings...) - provides a global vision "End to End" of the Supply Chain: planning, Lean, production control, I.S and document management. Modular "turnkey" solutions to reduce costs and give a competitive gain.	sidi maarouf business center, casanearshore, 1100 bd al quods, quartier sidi maarouf, 20190 casablanca	+33 (0) 5 32 11 00 69	
MADREX ENGINEERING	Madrex Engineering is our firm established in Morocco (Subsidiary Group ATRIEM France), specialized in numerical simulation and calculation Finite Element. Our expertise lies in the realization of mechanical design and calculation of structures by finite elements to simulate the behavior of products or processes. MADREX Engineering is the first and only authorized distributor of HyperWorks products in Morocco. This software is based on process automation, data management and design optimization, It also consists all the modules of CAE. modelling, meshing, solver. It is a complete package of finite element procedure. Preprocessing, Solving and Postprocessing .	Parcelle 6 Imm B3, 1er étage Plateau P6, TECHNOPSIS Rabat Salé MAROC	+212 (0) 6 61 72 83 28 +212 (0) 6 61 69 03 48

SLTS METAL MAROC- MECAPOLE	Expert in the processing of sheet metal by cutting, bending, machining, MIG MAG TIG welding, crimping, riveting and gluing. Integration of complex subsets,	zone franche d'exportation lot,1 ilot 23, 90000 tanger	+212 (0)5 39 39 80 00	+212 (0)5 39 39 38 00
SOCAERO - Group DAHER	Assembly	Parc industriel de Sapino, lot 598 Nouaceur 20240	+212 (0)5 22 53 93 45	+212 (0)5 22 53 87 78
SOURIAU MAROC	Production of connectors for aerospace, industrial and military applications	îlot 63, Lot 1, Tanger Free Zone Boukhalef 90000 TANGER	+212 (0)5 39 39 86 00	+212 (0)5 39 39 86 10
SPMA- Group ARM	Manufacturing of aeronautical mechanical equipments, composite completion, painting, assembly	BP104 Aéroport Mohammed V Aéropole Nouasser, Casablanca	+212 (0)5 22 53 87 20 +212 (0)5 22 53 98 02	+212 (0)5 22 53 93 13
STELIA AEROSPACE MAROC	Manufacture of composite cockpit parts (SA) , assembly of aero structure sub assemblies and cabin interior. Subsidiary of SOGERMA Group since 1993, it has gradually developed its skills in the field of metal fabrication, composite and wiring in order to become a reputed subcontractor by major customers in the world of aeronautics.	BP 89 Aéroport Mohammed V Aéropôle Nouasser, Casablanca	+212 (0)5 22 48 81 71	+212 (0)5 22 53 89 73
STTS Maroc	aircraft painting and renovations	Aéroport Mohammed V Aéropole Nouasser, Casablanca		
TECNUM	Precision machining	ZI de Bouznika, bâtiment F 13100 Bouznika	+212 (0)5 37 74 36 74	+212 (0)5 37 74 39 50
TECAERO MAROC -Groupe TECALEMIT	Development, design, manufacture, piping for the transfer of liquid or gaseous fluids. Machining of pipe fittings.	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca		
THALES INTERNATIONAL	Project management, systems integration and technical assistance	Angle Avenue Ben Barka et Diyaa Arrahmane 10110 Souissi-Rabat	+212 (0)5 37 56 65 06	+212 (0)5 37 71 79 08
TOLERIE VENDEENNE MAROCAINE (TVM)	Industrial sheet metal co-contractor in Aeronautic and railway areas	ZI du Sahel 26400 Had Soualem	+212 (0)5 22 96 45 94	

TRESCAL MAROC	global specialist in calibration services and test and measurement instruments fleet management . We are the only ones to ensure a multi-service and multi-brand offer verification , calibration independently vis-à- vis manufacturers : the "one-stop - shop " . Trescal also offers training and technical and metrological support services .	chemin tertiaire 1015 SIDI MOUMEN 20400 Casablanca	05 22 70 09 01	05 22 74 09 45
TRIGO MAROC TFZ	TRIGO Aerospace, acts as a 'One stop hub on the Quality Airway', by delivering comprehensive solutions in the main aero assembly units and supplier sites across Europe, Asia and North America with 800+ personnel consisting of expert engineers and quality technicians. Using the company's blend of expertise within the automotive and aerospace industries, TRIGO Aerospace has developed a highly sophisticated solution designed to readily address the toughest quality challenges faced within the global aerospace supply chain.	Zone franche d'exportation de Tanger,local B1,Ilot 24B, 90000, BP 503 Tanger; Maroc		
TRONICO ATLAS - Group ALCEN	Electronic circuit boards manufacturing, Mechanical and electronic integration of subassemblies	Ilôt 16, lot n°2, Zone Franche d'Exportation Route de Rabat 90100 Tanger	+212 (0)5 39 39 38 10	+212 (0)5 39 39 30 59
