DAHER AEROSPACE MAROC (Site1&2)	Production of aeronautical sub-parts made of composite materials: air conditioning ducts, fairing, sub-assembly of structures	Lot 19, Ilot 19B - Tanger Free Zone 90000 Tanger
DELTA AEROSPACE	Aircraft and helicopter maintenance and their accessories	Hangar N] 5 BP 342 aeroport de benslimane
EZIP TECHNOLOGIES	the company operates in the field of human machine interface technologies. Is trusted value-added partner in leading-edge technological solutions for its global aerospace, industrial, transport and defense clients	Zone Franche de Midparc, Nouaceur, Casablanca
EATON Industries Morocco	Module assembly and mechatronics solutions	Zone Franche de Midparc, Nouaceur, Casablanca
EFOA (WEARE Group)	Tools Manufacturing, elementary parts, surface treatment, ressuage, aeronautics painting field	Aéropole de nouaceur aéroport Mohamed 5 Casablanca
EOLANE MAROC	Design, manufacturing, T/S for electrical/electronic system and subsystem	Lot 11 Zone Industrielle, Route de Marrakech, Berrechid
EXXELIA MAROC	Electronic and electrotechnic assembly (wiring of beams, winding of selfs and transformers, winding of electric engines, integration). Figeac Aero realizes complete services: Design/ Material & Component sourcing/ Machining/ Forming/ Dimensional Inspection/ Shot Peening/ Surface Treatment/ Heat Treatment/ Assembly/ Final Inspection. As a major partner, FIGEAC AÉRO supplies: - Structural parts: from the small fitting, to the large 26 meters long panel - Aeronautical subassemblies: design, manufacture and assembly - Engine parts: vertical lathe and milling - Precision parts: landing gear parts, thrust reverses parts etc.	Angle "Alkahrabae" et rue "Le Caire" QJ Ain Sebaa, Casablanca
FIGEAC AERO MAROC	Design/ Material & Component sourcing/ Machining/ Forming/ Dimensional Inspection/ Shot Peening/ Surface Treatment/ Heat Treatment/ Assembly/ Final Inspection. As a major partner, FIGEAC AÉRO supplies: - Structural parts: from the small fitting, to the large 26 meters long panel - Aeronautical subassemblies: design, manufacture and assembly - Engine parts: vertical lathe and milling - Precision parts: landing gear parts, thrust reverses parts etc.	Projet Soft Factory, Lotissement Mauritanian, Cellule E19 et E20 Zone Industrielle Bernoussi, Casablanca.
FIM	industrial supply specializing in the aeronautical sector. Maintenance center for portable production tools (drilling, riveting and other tools, etc.)	147, Boulevard med Smiha Casablanca
FIMA (AMDP / OCETA)	FIMA represents the AMDM and OCETA companies in Morocco, also the brands distributed by these companies. Distributor of industrial tools for the Aeronautics, Automotive and General Industry	163 Lot Manazil Deroua2 / Tranche 1 Magas, Deroua Casablanca - Maroc
FMTM	Traitements thermiques et Thermochimiques "certifié ISO 9001 et EN 9100". Trempe sous vide, cémentation basse pression, recuit magnétique, traitements sous atmosphères contrôlées, brasage sous haut vide	Lot n°9, Zone Industrielle Sud Ouest, BP 27, Mohammedia
FT2A ELECTRONICS	Wired wiring, strand, harness, assembly together and subassembly	2 Bis Immeuble Sis Lot2, Quartier Oukacha Ain Sbaa, Casablanca
GACHES CHIMIE SPECIALITES MAROC	With a strong chemical and logistic experience Gaches Chimie has developed the "Global Chemical Management", a real supply chain that includes a large range of chemical products, composite materials, paintings, gaskets and lubricants, solvents in aeronautical fields.	Parc industriel Bouskoura, Lot 77, Route secondaire 109, 20180 Bouskoura
GOAM INDUSTRIE	Stelliting and deburring of aero engine blades	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca
HALMES (HALGAND)	Manufacturing: advanced mechanical engineering, assembly	Aéroport Mohammed V
HEUCONIA INDUSTRIES	Helicopter Maintenance	Aéropole Nouasser, Casablanca Aéroport Menara Marrakech
HEXCEL COMPOSITES	Development and / or manufacture of machined honeycombs, and / or marketing of machined honeycombs	Zone Franche de Midparc, Lot n°82 à 85 et 90 à 93 Nouaceur, Casablanca
HOLLE INDUSTRIES MAROC	Conception and manufacture of cabling & wiring, electric closets, test-benches, and industrial automation solutions.	Boulevard Laymoune Kasbat Al Amine 1, Lissasfa Casablanca
HOWMET FIXATIONS CASABLANCA	Machining, tooling, stamping and manual assembly for aeronautical usage	Zone Franche de Nouaceur, 27000 Casablanca
ICM INDUSTRIE MAROC	Precision machining of all thermoplastics, thermosets and composites	4 Parc Industriel CFIM, 20180 Bouskoura
IDEMIA MAROC	Development and maintenance of softwares (information technologies and biometry)	Nearshore Park, 1100 Boulevard al qods, Shore 21, bureau 301/302 Casablanca
IS INDUSTRIE MAROC		
KMTM - Kep Metal Tech Maroc	Conception and fabrication of blanking tools and deep-drawing, precision engineering mechanic, welding, precision sheet-metal work	Soft Logistique B8 Route 110 Bd CHEFCHAOUNI Ain Sebaa, Casablanca
LATECOERE	Furniture assembly and wiring and harnesses for aircraft	Lot n°96, ZI du Sahel, 26400 Had Soualem
LELMA (partenariat groupe l'Electrolyse & Mecachrome)	Machining of mid-sized o, aluminium aerospace parts, Deburring / forming / drilling of aerospace parts, Quality control, Non Destructive Testing on aluminium parts, Surface treatment of aluminium parts, Painting, Assembly of structural parts. The synergies between MK AERO and LELMA allow to offer a global integrated solution from machining to assembling which guarantees a continuous flow in the supply chain.	ilot 53-56 TFZ 90090 Tanger
LPF Casablanca	Production of mechanical parts and assemblies for aeronautics	BP 20150, Aéroport Mohammed V Aéropole Nouasser, Casablanca
MADREX ENGINEERING	MADREX is an Industrial Engineering Company. We operate in many business sectors such as automotive, aeronautics, rail, energy, steel construction, lifting, and industry at large. We support large industrial groups in their engineering projects through our technical assistance or fixed price projects	Parcelle 6 Imm B3, 1er étage Plateau P6, Technopolis Rabat Salé
MAPA		
MARUER MAROC	NDT, Inspection and technical control, technical assistance, industrial expertise	Aerropole de l'aéroport Mohamed V, Nouaceur, Casablanca
MATIS AEROSPACE MAROC (JV BOEING - SAFRAN ELECTRICAL POWER SYSTEMS)	Harness production and electrical systems for Aerospace industry (Boeing, Airbus, Dassault-Aviation, Snecma, Turbomeca, Messier Bugatti)	BP 98 Aéroport Mohammed V Aéropole Nouasser, Casablanca
MECA3D	Precision machining	11 Sidi Mohammed Ben Abdellah Mohammedia
MECAUR Group AHG	Metal and plastic work – special processes, surface treatment	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca
MEUPE INTERNACIONAL	Precision machining for aerospace Industry	Lot 81 C4 TFZ 90000 tanger, Maroc

MK AERO (Group MECACHROME)	Machining, deburring, forming, assembly of aeronautical parts	Lot 25B, Tanger Free Zone 90100 Tanger
MNS Aviation Distribution Services	"Distribution of chemical products for the maintenance of commercial aircraft military, general aviation and helicopter. Our catalog includes more than 6000 product types: adhesives, sealants, solder, coating, solvent, tooling and more. MNS aviation with 45 years experience in the MRO services offer repair management to military and all Airline Operators for the following components repair: -ERJ145 wheel and brakes -heavy maintenance ERJ145 and ATR42/72 -Landing gear beech 1900 and CL415 -Overhaul and repair f fuel , oil, and air-related engine accessories installed on the PT6A, PW100, LF502/507, PT6T, JT15D an dRR250 engines -Fuel controls, fuel Nozzles, Fuel pumps, Flow dividers, Valves, Tank ejectors as well as overspeed & Turboprop Governors -Blast room, blast cabinet, paint room"	23 Rue Anoual Immeuble Fleury 11 Bureau N° 4 14000 Kénitra Morocco
MOROCCO AUTOMOTIVE ENGINEERING	Engineering for transportation industries (2D & 3D CAD, design, finite element calculation, testing & validation)	Casaneashore, Shore 2B, 4ème étage, N°403, Boulevard El Qods, Sidi Maarouf 20190 Casablanca
MS COMPOSITES MAROC (Group AD Industries)	Design & manufacture of composite parts and sub-assemblies in high performance composites materials	Zone franche d'exportation, lot 4, îlot 1 Tanger
NEXANS MAROC	Production of electrical cables, transformers, switchgears and prefabricated substations.	Boulevard Ahl Loughlam, Sidi Moumen, 20630 Casablanca / Avenue Fatima Zahra les Crêtes, Mohammedia
NEXTEAM GROUP MAROC	Manufacturing and sale of precision mechanical parts and assemblies and special tools	Unité industrielle 3 ZI Sud-Ouest Mohammedia, BP162, 28800
NICOMATIC MAROC	Solution provideur for MIL Aerospace applications Manufacturer of Harsh environment connectors	
NOMADE ENGINEERING - SHERPA	engineering	Aeropole de l'aéroport Mohamed V, Nouaceur, Casablanca
NP MOROCCO (SINTEX NP GROUP)	Multi-technologies Company: Injection,Overmoulding,Stamping,Dual-material,welding, Potting,Wire Harnesses, Electronics	Lot,24 Zone Industrielle Sud-Ouest / Mohammedia
NSE AERO MAROC	Electronic wiring and maintenance, industrial wiring equipment	Zone Franche d'exportation de Nouaceur - MidParc 20200 Casablanca
NTS TECHNICS	Dassault Systèmes partner, who brings value to the world's leading aerospace organizations through our engineering teams. Our offices in Canada, France, Brazil and Morocco provide support to its customers and meet the following needs: Aerospace, Automotive, Custom engineering, 3D modeling, (Catia V5), 2D technical drawing, Training, Prototyping, Reverse engineering	Avenue HassanII, Route Nationale N°1, Bureau 13/4, Bouznika, Maroc
PERFORMANCE (HAAS)	Distribtor of HAAS Automation machine tools (Center and lathes) Training adapted to the needs of the customers Adaptation of machines according to customer needs. Addition of options Refit and reconfiguration on site in Morocco of used machines	Zone Industrielle SAPINO, Lot 719, Nouaceur, Casablanca
QUALITE CONTROLE MESURE	Distribution of scientific and technical material for control, inspection and industrial metrology. Calibration, Expertise, Training	Boulevard Med V, Essalam Centre, Imm A N°11 et 14 Kenitra
REAL MECANIQUE	Aeronautical and automotive precision machining	Lot Baname la Gracieuse N°65 Quartier Ain Sebaa Casablanca
RFM - RATIER FIGEAC MAROC (Group Collins Aerospace)	Final assembly and test of aeronautic cockpit & cabin equipments	Zone Aéroport Nouaceur, BP 96 20240 Nouaceur
ROYAL AIR MAROC	Maintenance & Engineering	Aéroport Mohammed V - ZIRAM - Nouasseur - Casablanca
SABCA Maroc	Aeronautical structures assembly	Aéroport Mohammed V Aéroport Nouasser, Casablanca
SAFRAN AEROSYSTEMS MOROCCO	Production and engineering/research center : aeronautics, Mechanical engineering, sheet-metal work, Electronics	Lot 58, 59 et 62 Parc industriel Ain Johra Centre Ain Johra - Boukhalkhal - Tiflet Maroc
SAFRAN AIRCRAFT ENGINES SERVICES MOROCCO	Maintenance and repair of aircraft engines for Boeing 737 (CFM56-3 and CFM56-7) and Airbus A320 (CFM56-5B)	BP 87 Aéroport Mohammed V Aéroport Nouasser, Casablanca
SAFRAN ELECTRICAL & POWER MOROCCO	Assembly of aeronautical wires and harnesses	Route de Rhboula Ain Atig, BP 5110, 12022 Temara Centre
SAFRAN ELECTRONICS & DEFENSE MOROCCO	Assembly of electrical and mecanical equipments	Technopole Aéroport Mohammed V Nouaceur Casablanca
SAFRAN ENGINEERING SERVICES MAROC	Aeronautical engineering consulting firm. Stress, Design, Instrumentation and Manufacturing Support	114 Route de Nouasser, Sidi Maarouf Casablanca
SAFRAN NACELLES MAROC	Thrust reversers assembly and engine nacells sub assemblies. Composites parts manufacturing for nacells.	BP 80 Aéroport Mohammed V Aéroport Nouasser, Casablanca
SATT	metal transformation, heat treatment	lot n° 1, 170 atlantic free zone ameurl saffia, kenitra baulieu
SATYS SEALING & PAINTING AERO MA	Painting & manufacturing Part	MidParc Casablanca Free Zone, Zone Franche, Nouaceur, Casablanca
SATYS SEALING & PAINTING MA	Aircraft painting and renovations	Aéroport Mohammed V Aéroport Nouasser, Casablanca
SELHA GROUP	Industrialisation - Wave soldering - SMT Technology - Conventional Technology - Wiring up racks, cabinets... - Making up harnesses, strands - Electronic assemblies and sub-assemblies - Dedicated testing - Functional testing of wired circuits - In-situ testing of wired circuit	Route 1029, Km 3, ZI de Sidi Maarouf, Casablanca
SERMP (groupe LE PISTON Français)	Fabrication of equipments and aeronautical mechanical units precision mechanics	Aéroport Mohammed V Aéroport Nouasser, Casablanca
